Meet Mike Weisse

Family Support Worker

Hello. I am Mike Weisse and I am the new Family Support Worker for Leq'á:mel First Nations.

I have worked in the Support Work industry for 15 years, as both a Youth worker and a Family worker, in Agassiz, Abbotsford, and Mission.

I focus on recreation, connected parenting, conflict resolution, healthy relationships, service referral, and life skills.

In my spare time, I coach the Chilliwack Women's rugby team and play for the Chilliwack Men's rugby team. Formally, I also coached minor football for the Chilliwack Giants.

My hobbies include hiking, music, and spending time in the water.

I am a father, with a daughter who is 8 years old and a niece who is 20, and a husband, having met my wife 23 years ago.

My goal in my new role is to get to know the community and be a welcoming addition to Leq'á:mel First Nations. Please feel free to connect with me if you feel that I can help you.

LEQ'Á:MEL

I'm excited to be joining the team! I bring experience in administration, executive support, and financial services across both the public and private sectors. I enjoy building new relationships, supporting others, and finding practical solutions.

I'm fluent in English and have strong French language skills, which have helped me connect with people from a variety of backgrounds.

I grew up in Manitoba knowing my family had First Nations and Métis roots, and over the past several years, our genealogy research has helped us better understand and reconnect with that history. On my father's side, my great-grandmother was from Fairford, Manitoba, home of Pinaymootang First Nation (Ojibway Anishinaabe), and my grandmother is Red River Métis from the Ste. Claire area of Manitoba and a member of the Manitoba Métis Federation. Learning more about my family's story has deepened my appreciation for community, resilience, and meaningful connections.

Outside of work, I enjoy paddleboarding, exploring local trails, and spending time near the water. I'm looking forward to getting to know everyone and contributing to the team!

Welcome,
Rhea

ADMINISTRATIVE ASSISTANT

LEQ'Á:MEL
FIRST NATION

Meghan

Hi everyone! My name is Meghan, and I'm excited to be joining the finance department.

I'm a mom to two little ones who keep me busy and on my toes. Outside of work, I love spending time outdoors with my family, whether we're exploring, camping, or just enjoying nature together.

I'm looking forward to getting to know everyone!

HOUSING NEWS

Housing applied to FNESS for kitchen fire extinguishers and smoke detectors. LFN has been approved for 90 fire extinguishers for all homes on reserve. The fire extinguishers are currently on back order. Once we have received the fire extinguishers, someone from housing will go door to door to distribute.

We are continuing to apply for funding through PIEER. We have applied for funding to install 20 heat pumps and applied to do another 20 energy assessments. Funding amounts with PIEER vary depending on the type of heating system currently in your home, with higher funding available for homes that are heated by fossil fuel systems (such as oil, propane or natural gas) than for homes with electric furnace. Those who heat their home with oil will be required to meet a minimum oil consumption of 500L annually. Proof of oil consumption within the last twelve months is required at the time of application. Replacing an existing heat pump or adding a head to an existing heat pump are not eligible.

If you are interested in having a heat pump installed in your home, fill out the information page and return to the office or email to stephanie@legamel.ca

Wendy McDonald · Housing Manager

HOME MAINTENANCE TIPS

Be mindful of what goes down the sink or toilet. Drain strainers can be used to catch food particles, hair, and other debris that could lead to clogs.

If you have a plumbing fixture that is not used frequently, for example, a laundry tub or spare bathroom sink, run some water briefly to keep water in the trap.

Clean and replace HVAC filters regularly to maintain indoor air quality and improve system efficiency.

Reminders

Any renovations to band owned homes need approval from LFN Housing Dept before beginning.

Any occupant living in a band owned home requires approval from LFN Housing.

Subletting is not permitted.

Leq'á:mel First Nation

Community Notice: Heat Pumps

Dear Leq'á:mel Xwélmexw (People)

We are pleased to inform the community that we are working with the PIEER program to bring heat pumps to **On-Reserve homes** at no cost. The heat pumps will provide both heating and cooling, improving comfort and reducing energy bills. Private homes can choose not to participate.

As part of this upgrade:

- An energy specialist will need to do a home energy evaluation, which will take between 1.5-2 hours per home.
- A new heat pump will be installed

Your furnace may be removed and replaced depending on whether it is compatible with the heat pump.

To move forward, a funding application must be submitted. **On-Reserve Leq'á:mel Xwélmexw (People)** who are interested in participating will be required to provide the following information. This information is required to complete the application and confirm eligibility.

Name:
Address:
BC Hydro Account Number:
BC Hydro Meter Number:
Contact Number:
Email:

Once funding has been received, a participant acknowledgement form will need to be signed by the account holder. If you would like to be included in the funding application, please complete the information above and send it back to stephanie@leqamel.ca or drop in off at Reception at the Administration Office, 43101 Leq'á:mel Way, Deroche

Thank you,
Housing Department
