Hello, my name is **Andrew Treger**, and I am excited to join Leq'á:mel First Nation as the Lands Manager. I recently moved from Yellowknife, where I worked with the City of Yellowknife as a Planner III. Before that, I worked with the Province of Manitoba in the Regional and Community Planning Branch. Originally from Winnipeg, Manitoba, I bring a background in planning and environmental science, with a strong interest in land stewardship and collaborative approaches to community development.

Outside of work, I love spending time outdoors fishing, hiking, and hunting. My dog, Freyja, is a big part of my life — she's a 1.5-year-old black Labrador and my loyal fishing and hunting partner. I'm looking forward to getting to know the community, building relationships, and learning together as we care for the land.

My door is always open, and I look forward to connecting with anyone who would like to reach out.

Hi everyone!

My name is Jaden, and I'm so excited to be joining the 3–5 room at Leq'á:mel Childcare Centre. I've been working in childcare for the past six years and earned my Early Childhood Education certification through Algonquin College. Supporting children as they grow, learn, and explore is something I'm truly passionate about.

Outside of work, you can usually find me spending time with my dog, Bug, or out exploring and enjoying all the beauty our province has to offer. Please feel free to stop by and say hi, I'd love to connect with you!

HOUSING NEWS

Health & Safety renovations continue and are going well. 38 homes on reserve have had Health & Safety Inspections to support funding applications. If you have Health & Safety needs within your home and would like an inspection, please contact me to discuss.

Members living on reserve could receive \$80 000 to put towards building or purchasing a new home, through a funding opportunity.

Housing applications need to be submitted yearly in August to remain on the list. Application forms are available at reception, or I can email/mail one to you.

We are preparing for a new playground to be installed beside the Band Office before winter! The area is currently closed for safety, so please obey the signs and stay out. The kiddos are going to love the new play equipment and design. Stay tuned for the official grand opening!

Wendy McDonald · Housing Manager

Chimneys & stovepipes should be cleaned

Reminders

Renovations to band owned homes need approval from LFN Housing Dept before beginning.

Any occupant living in a band owned home requires approval from LFN Housing, along with a Criminal Record check. Subletting is not permitted.

Do you have a will?

Did you know?

<9%

Less than 9% of First Nations peoples living on a reserve have a will when they pass away.

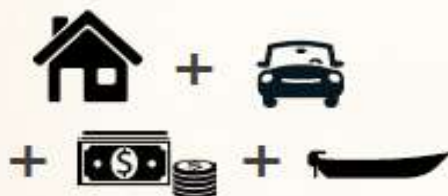

- our website has information about planning your estate
- your **will** differs if you live on or off a reserve
- the *Indian Act* outlines what should be included in your **will**
- you can only gift the land you possess on a reserve to someone who is a member of your First Nation
- you can change your **will** as often as you like
- writing a **will** doesn't have to be complicated or costly

Why make a will?

- to provide for your loved ones, children and grandchildren

- to clearly state who should receive your possessions

- to leave instructions for end-of-life ceremonies

- to decide who will get your home and property

- to name who will take care of your children and dependents

- to name who will take care of your estate

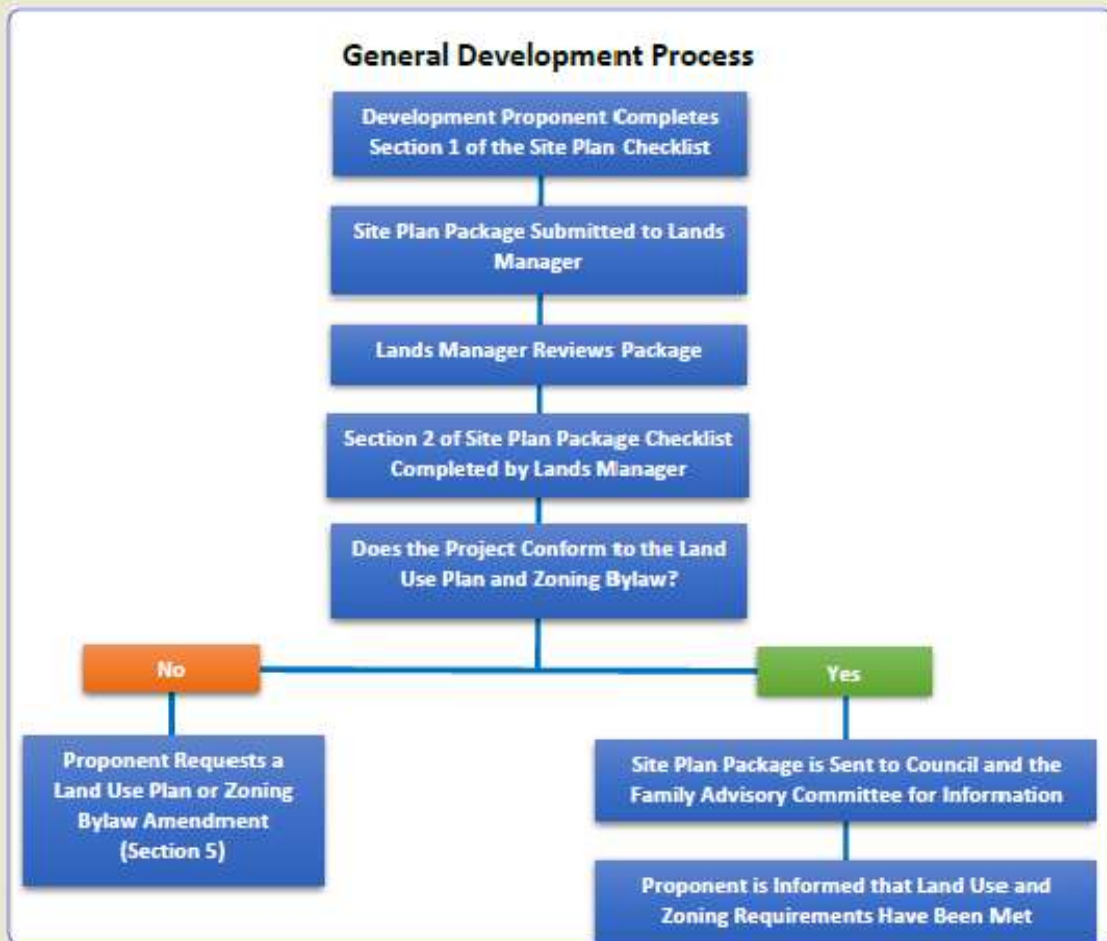

Catalogue: R122-49/2023E-PDF
ISBN: 978-0-660-49623-8

A will can provide peace of mind and clear direction about your wishes to your family and loved ones.
